

## IMPORTANT ANNOUNCEMENT

Dr. Rehana Ahmed will be relocating her medical practice effective July 2, 2026.

For more information on her new location and how to book appointments with her please contact her directly.

If you would prefer to stay at Westside Medical Associates and require a new family physician, please email your request to [newpatients@wsmed.ca](mailto:newpatients@wsmed.ca). Do not fill out the CMQ, you already have a chart at the clinic and do not need to fill out any paperwork.

Please note that unless otherwise indicated by you, your chart will be automatically transferred to their new practice location, and you will no longer have access to Westside Medical Associates resources.

We thank Dr. Rehana Ahmed for the services she has provided and wish her all the best in her future endeavors.
